Customer Note

As Discussed with Morgan, I understand there is a ~2 month back order for the controller. That isn't an issue, as it will take me awhile to build the machine anyhow.

Also, please don't ship anything else till the week of the 28th or later, as I'm away on hols at the moment.

Annnnd. As discussed with Morgan, I'm paying by bank deposit, so will pay the invoice once emailed to me, which you're kindly honouring at the sale price.

Thank You for Your Order!
